

# AMERICA'S CUP CLASS

## PUBLIC INTERPRETATION No 25

September 15, 2006

Page 1 of 1

In response to the following:

1. *Is it legal to use filling and fairing on appendages?*
2. *Is the use of a silicon based compound around the join between the keel fin and the bulb pocket cover to provide a seal that is flexible allowed in the Rule?*

### **INTERPRETATION:**

1. Yes, provided the material used for filling and fairing materials and building methods comply with Rule 17.3. Rule 23 shall always apply.
2. Yes, the use of a silicon based compound around the join between the keel fin and the bulb pocket cover is permitted provided the compound is used to create and maintain the seal and no other purpose. Rule 23 shall always apply.

END

*This interpretation is made by the CORD Measurement Committee in accordance with Rule 3.3 of Version 5.0 of the America's Cup Class Rule.*
