

## REGATTA NOTICE # 9

23 May 2005

To: All Competitors, 32<sup>nd</sup> America's Cup  
From: Dyer Jones, Regatta Director  
Cc: AC Management  
**Subject: EVENT SIGNAGE on ACC Yachts**  
Ref.: Protocol Article 10.3 &  
Notices of Race (extract below):

"The signage required by Protocol Article 10.3 will be supplied by AC Management. It shall be installed by each Competitor in accordance with the instructions contained in Regatta Notice # 9 at the direction of the Measurement Committee before racing."

### Burgee Stickers:

Burgee stickers similar to that shown will be supplied by AC Management, and are to be placed back-to-back on each side of every genoa and jib used while racing. The maximum image size shall be 550mm on the hoist and 900mm on the fly (~0.25sq.m.).

The burgee stickers are to be located in accordance with the following specification:

1. The hoist of the burgee is to be approximately parallel to the luff of the jib, and the interface line marked with the Datum Point ( • ) is to be approximately parallel to the waterline.

2. The Datum Point shall be approximately 1100mm from the luff (measured perpendicular to the luff) and shall be approximately 850mm above the tack (measured along the luff).
3. Sailmaker's marks, if any, as permitted in ISAF Regulation 20.3, and in modification of Regulation 20.3, shall be at least 300mm from the bottom of the burgee.

N.B. The sticker to be supplied is not the same design or color as that used in the 31<sup>st</sup> America's Cup. Therefore, any stickers on sails from the 31<sup>st</sup> America's Cup must be removed.
